PESACH LIST 5785

(See our updated wine list for the year of תשפ"ה-5785)

K'hal Adath Jeshurun is pleased to inform the kosher consumer that a full range of Pesach products is available under the supervision of our Rabbinat, including matzo and groceries.

The Rabbinat expends significant efforts to assure the Kashrus of products produced under our supervision and the manufacturers expend additional funds to comply with our Kashrus requirements. We therefore urge our members and friends to patronize manufacturers under our supervision.

We are confident that our members and friends will understand the importance of supporting the Kashrus efforts of our Kehilla.

Before purchasing products for Pesach, be sure to check label for "P" or any other indication that the product is Kosher for Pesach.

Please note: Omission of products in our Pesach List does not imply that a product is not kosher for Pesach. It may mean that the product was not evaluated or that there presently is not enough information to formulate an opinion regarding the product. We compiled below a short list of Hashgachas to make it easier finding Pesach products when shopping by referencing the Hashgacha
